

PROFESSIONAL SUMMARY

2D generalist and animator with experience as a junior animator, prop designer and character designer. Skilled in a variety of areas across the 2D animation pipeline including but not limited to, 2D animation, scene building, layout and design with an excellent understanding of professional workflows. **Currently animating on a children's TV series for the BBC at Wildseed studios.** Part of the Screenskills Animation Trainee Programme 2025-2027.

EMPLOYMENT HISTORY

MARCH 2026 - PRESENT

Junior Animator, Wildseed Studios, Bristol

- Produced high quality 2D character animation on a **Children's TV series** production
- Adapted to a range of styles and animation techniques, including rigged animation in **Adobe Animate**, and hand drawn frame by frame animation
- Communicated with both directors and producers during daily briefing and feedback sessions.
- Ensured my animation was consistent with character designs and style frames.
- Met weekly deadlines and kept to production schedules efficiently
- Followed strict file organisation and naming conventions
- Maintained regular communication across departments, allowing for a smooth workflow
- Followed the director's instructions precisely and implemented feedback effectively

JUNE 2025 - OCTOBER 2025

Animator, Ategi, Remote

- Directed and produced an animated explainer video from conception to final product
- Produced both hand drawn animation and motion graphics that seamlessly fit the clients Brand Identity
- Pitched original storyboards to the client, and designed all style frames including character, prop and background designs.
- Ensured that all designs maintained the company branding by producing vectorised designs
- Handled schedules, timelines and deadlines efficiently
- Maintained clear communication with the client in order and met the needs of the brief successfully

JULY 2025 - AUGUST 2025

Character and Prop Designer, WaeBak Studios, Remote

- Created prop designs in line with production style and requirements
- produced background character designs in line with the project's unique style
- Maintained seamless communication with directors, writers and creative team members
- Reviewed and Implemented feedback in line with the projects needs

APRIL 2025 - JULY 2025

2D Animation Assistant, Strange Beast, Remote

- Worked within a complex 2D animation pipeline across multiple softwares
- Facilitated seamless communication with directors, ensuring creative vision alignment and timely feedback integration.
- Refined the line and colour of animated shots, enhancing visual consistency and contributing to the film's cohesive style.
- Adhered to precise naming conventions and organised files meticulously, ensuring efficient project management.

MAY 2024

Volunteer, The British Animation Film Festival, London

- Represented the festival in a friendly and professional manner
- Followed event schedules with precision, ensuring timely operations and smooth transitions between screenings.
- Exhibited a friendly demeanour, contributing to a welcoming atmosphere for guests and staff alike.
